## Frequently Asked Questions

Add a brief introduction to the frequently asked questions below, describing if the questions and answers are for a particular project or perhaps on signing up to your services for the first time.

- |  |  |
|--|--|
| 1 Who is the owner of this company?                            | Introduce the customer to the main point of contact on the freelancer's team and provide contact information for seamless communication throughout the project.                                    |
| 2 Do you offer different payment methods?                      | Detail your payment terms, including rates, payment schedule, accepted payment methods, and any deposit or upfront payment requirements.   |
| 3 Do I need to sign your Terms and Conditions?                 | Provide information about the project agreement or contract and where they can sign your terms and conditions.   |
| 4 What happens if there are changes to the delivery time/date? | Explain the process for handling changes to the project scope, timeline, or deliverables, including how additional work will be quoted and any potential impact on the project schedule or budget. |
| 5 What happens if I don't like the first round of products?    | Detail how you handle feedback on proofs and the steps moving forward to finding a resolution to any issues that may arise.  |
